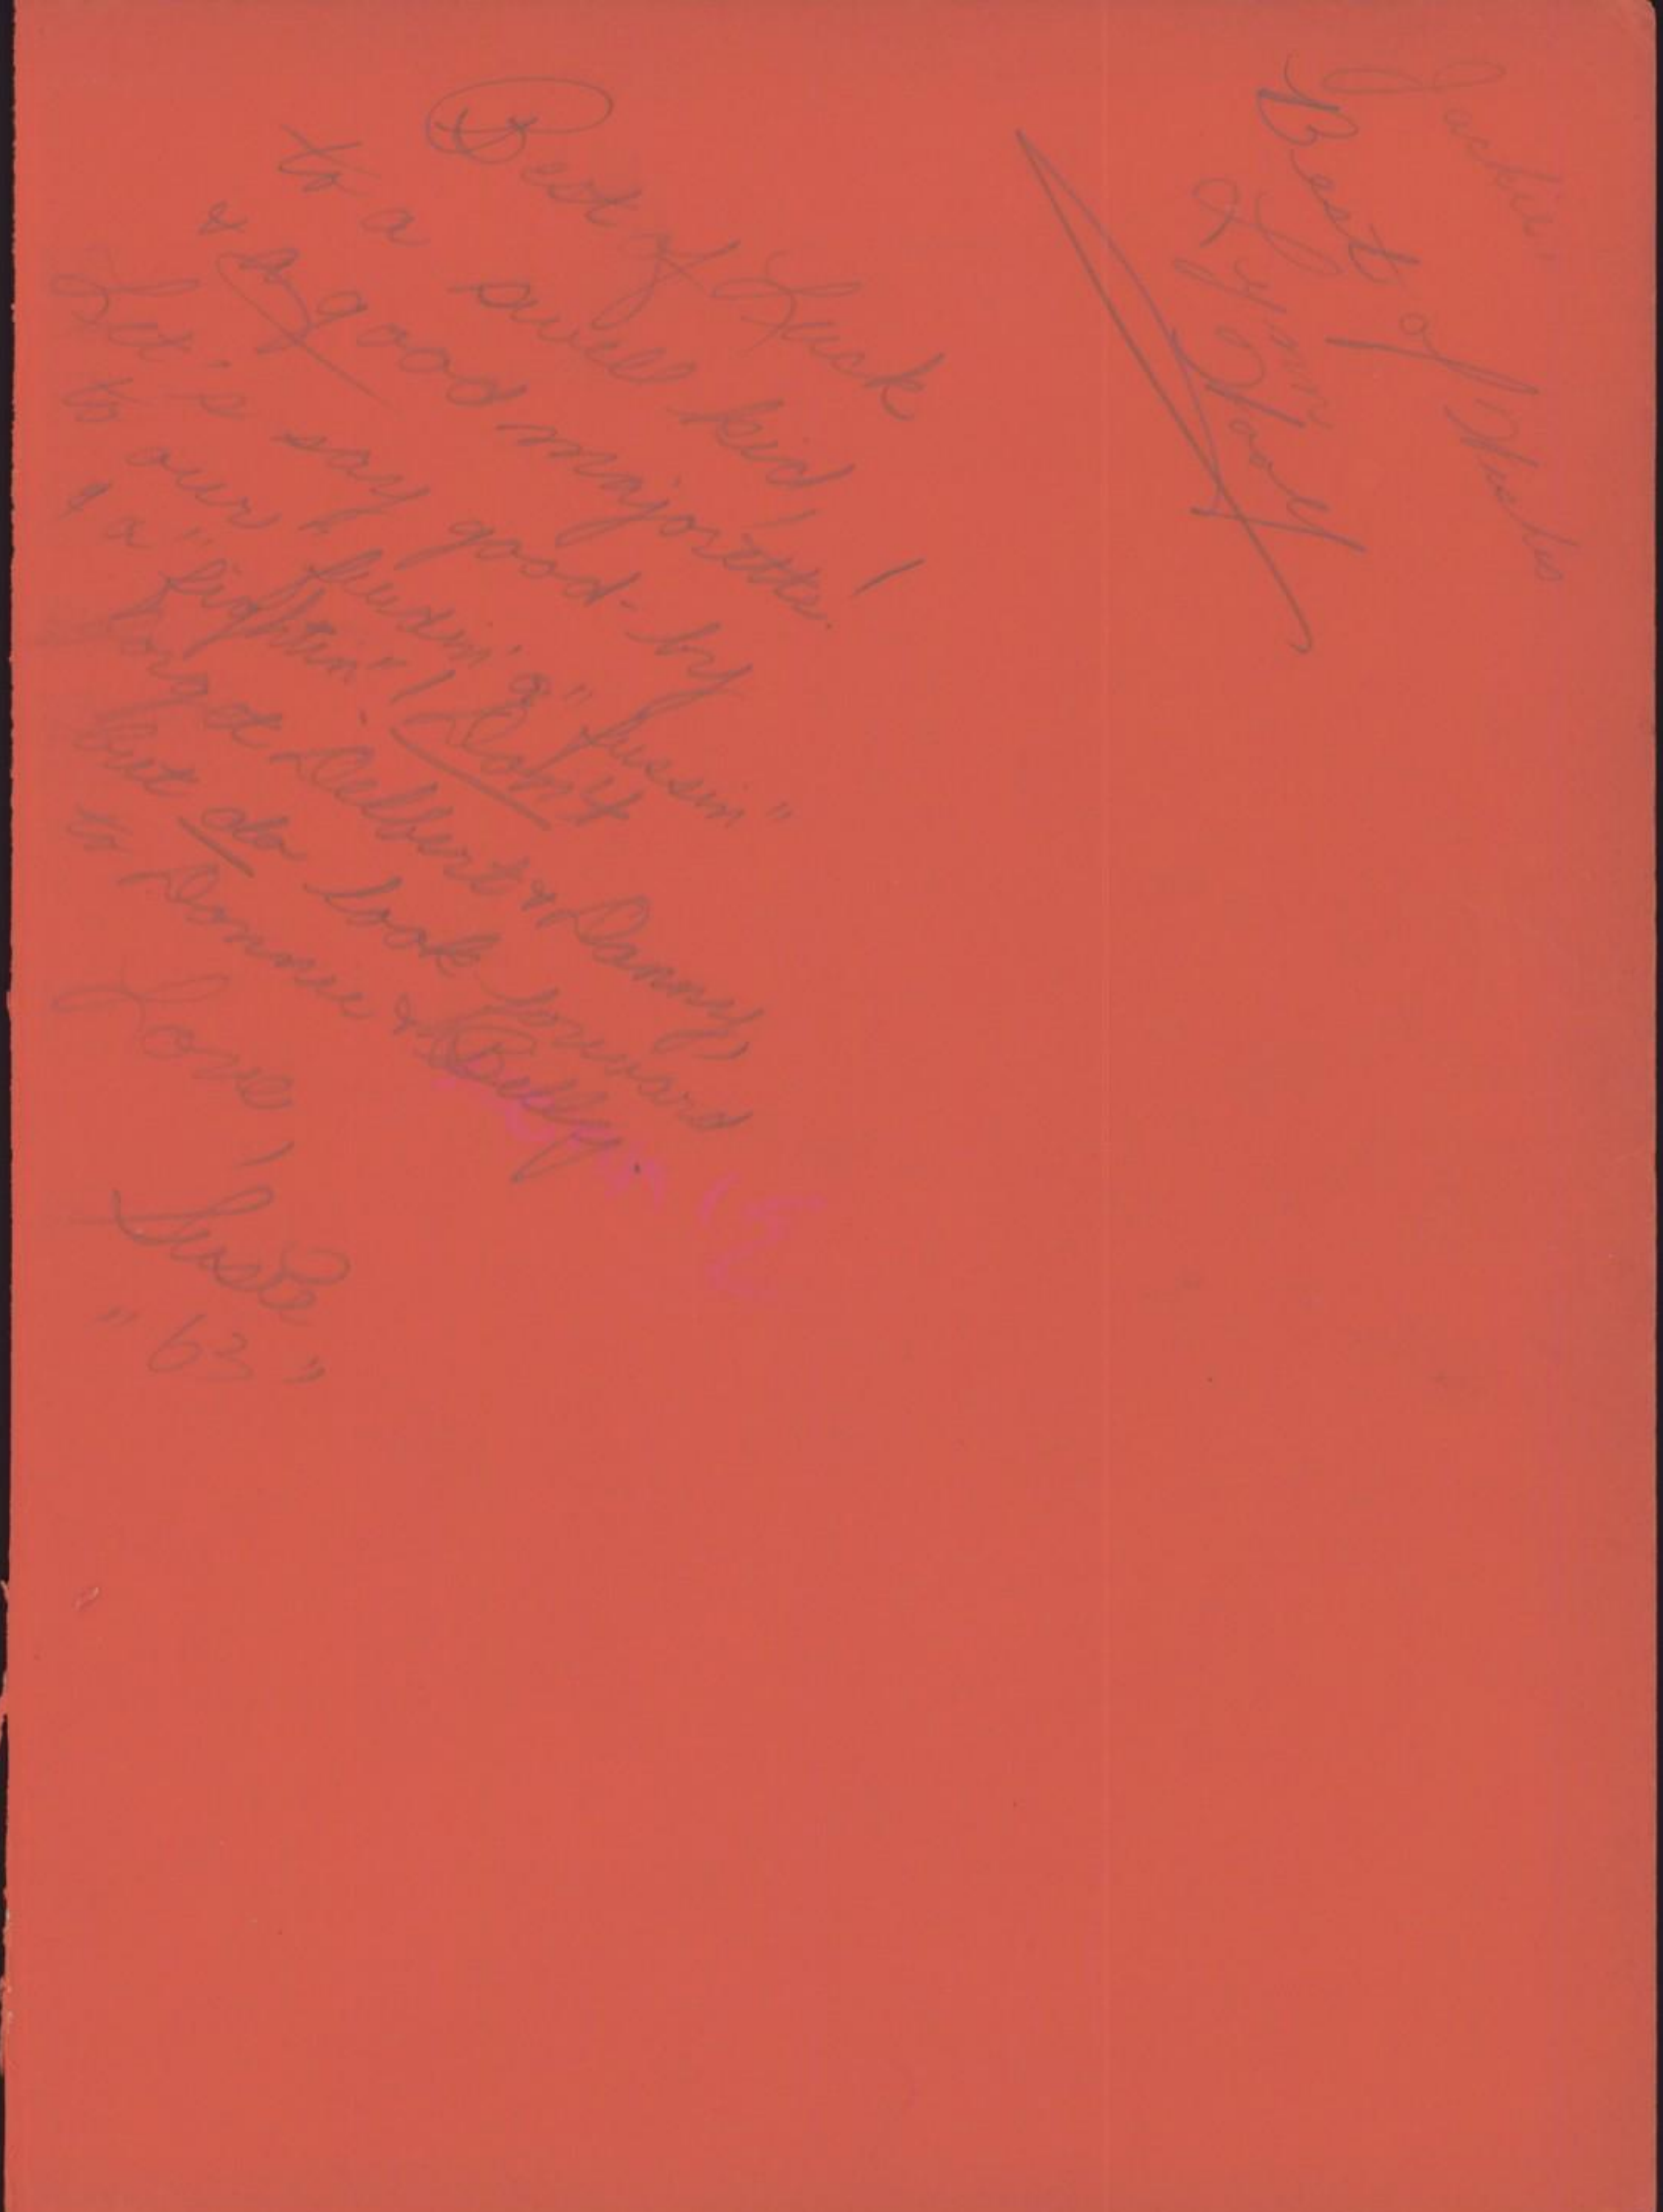
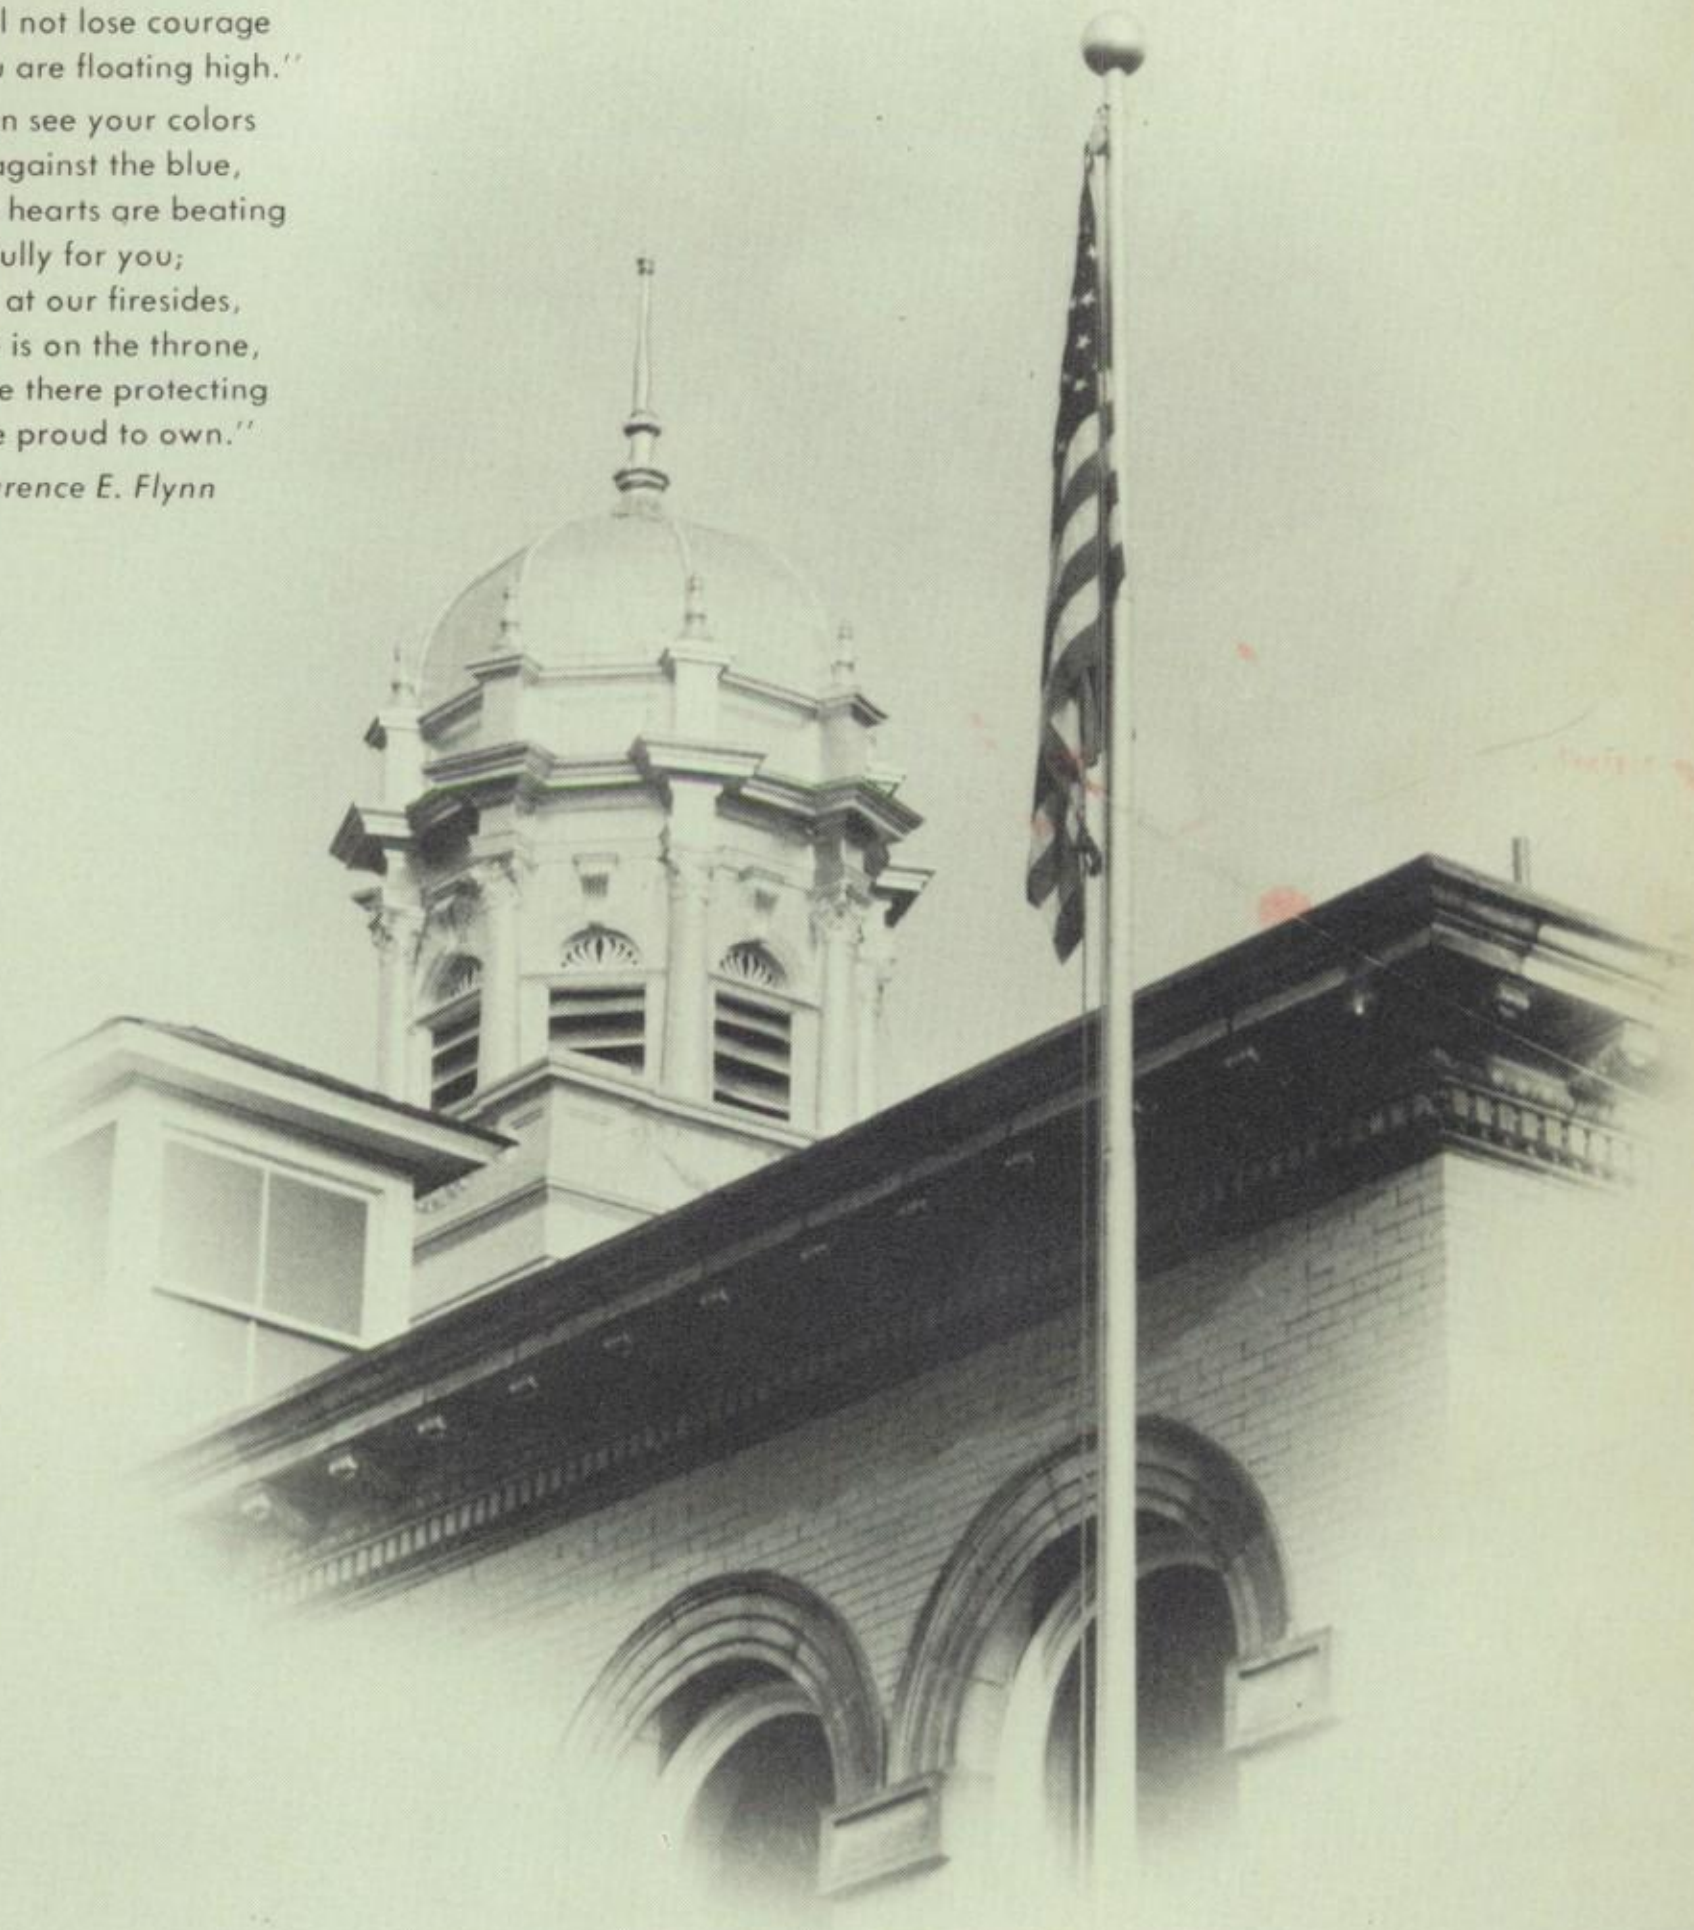
FRANKLINITE
1959



I like to pause a moment
  Amid a busy day,
To see the old flag floating
  Above me there, and say:
"Well, we may have our troubles,
  And things may go awry,
But we shall not lose courage
  While you are floating high."

"When I can see your colors
  Set high against the blue,
I know that hearts are beating
  Still faithfully for you;
That love is at our firesides,
  And hope is on the throne,
And you are there protecting
  All we are proud to own."

— Clarence E. Flynn



THE FRANKLINITE

1959

Sing your praises to dear Franklin,
Raise your voices to the sky.
Alma Mater we adore you,
Our loyalty is mighty high!
Memories will always linger,
Of our days at Franklin High.
Though the paths of life we follow,
Our love for you will never die!

We are faithful to you Franklin,
Never will we let you down.
Glorious praises we are singing,
Ever beautiful to thee!
Memories will always linger,
Of our days at Franklin High.
Though the paths of life we follow,
Our love for you will never die!

THE HEIRS OF EARTH

The poet does not live by bread alone
But finds starvation entering in disguise;
The prophet does not bleed from stones;
his shafts
Of truth, repelled by shields of callousness,
Inflict vexatious wounds upon his soul,
While he who plays the part of Socrates,
And sets young minds afire with flame-winged
thoughts,
Is forced to drink the hemlock of neglect.
The heirs of earth receive no accolades —
But daily find rich jewels in their paths.

TO THE CLASS OF 1959

The start of your high school career was also my first year with the Franklin Schools. It has been a pleasure and joy to be a part of your school life. I have watched with pride and enthusiasm your development and growth these past six years. You have received a sound educational background from an excellent staff of teachers who wish for you the best in life.

Scientific advances seem to be bringing all of the people on this planet in close contact with each other. In the struggle for existence and pursuit of happiness in which we are all engaged in one way or another, a great deal depends on our relationships with our fellow men. The material needs of the world are indeed great, but in far greater measure is its need for dedicated people interested in the welfare of others.

May every day and every year give you a wealth of moral courage, experience, willingness to do, and much happiness so that each member of this graduating class will always bear the label — "a good citizen."

TO THE CLASS OF 1959

The year 1958-59. A Year of Changes. More new classrooms, cafeteria, closed school day, seven class periods, new subjects—all in keeping with a sound progressive educational program.

We trust that your years in Franklin High have given you a sound educational foundation to cope with the changes you will find in the future.

Happy is the man that findeth wisdom, and the man that getteth understanding. For the merchandise of it is better than the merchandise of silver, and the grain thereof than fine gold. She is more precious than rubies: and all the things thou canst desire are not to be compared unto her. Length of days is in her right hand; and in her left hand riches and honor. Her ways are ways of pleasantness, and all here paths are peace. She is a tree of life to them that lay hold upon her: and happy is every one that retaineth her.

Dedication

It is to you, Miss Cardamone, that we, the class of 1959, sincerely dedicate our yearbook. None of our activities could have been successful without your advice, encouragement, and assistance. For three years you have been the inspiration of our class.

By dedicating our yearbook to you, we want to express our grateful thanks and appreciation for a task well done.

Class History

Our class had its beginning when, several years ago, a group of little tots started to many different schools throughout the Franklin Area. For about six years we received our very basic training, giving little thought to the time that has now arrived.

Then, suddenly, in the fall of 1953, we found ourselves in the biggest, strangest place that we could ever remember–Franklin Jr. Sr. High School. It seemed so enormous that it took us three years–seventh, eighth, and ninth grades–to get acquainted with the teachers, the school building, and each other.

In the fall of our Sophomore year, the Class of 1959 was organized under the advisorship of Miss Ida Cardamone. Chosen by the class members were the following officers: President—Bob Dale, Vice President—Art Whitman, Secretary—Jackie Adams, and Treasurer—Patty Hall. Under these leaders and with the help of a capable council, the Sophomores successfully sold homemade candy at the Junior and Senior Plays and the Broadcast. With the arrival of the basketball season came an invasion—the Sophomores selling pencils with the season's basketball schedule printed on them. The highlight of this year was the spring dance presented on March 29. "Le Cafe Paris," with a pink and white theme, transformed the gym into a romantic sidewalk cafe. The last major event of our first year in Senior High was the ordering of our class rings.

Our Junior year, which seemed to be our busiest, began with class elections. Art Whitman was advanced to the presidency, Bob Dale was chosen as vice president, and Jackie Adams and Patty Hall received the offices of secretary and treasurer, respectively. Before long our treasury began to grow because of our efficient stationery salesmen. Then, to help celebrate the Yuletide season, the Juniors presented a lovely dance, "Silver Bells." Large bells and angel silhouettes enhanced the walls of the gymnasium. A huge Christmas tree centered the red and silver dreamland. Once again, we resorted to our salesmen to sell candy at the basketball games; and, once again, they proved their worth by making many sales. In the spring, the actors of our class made themselves known by presenting the play entitled, "The Bishop's Mantle," under the direction of Mr. Richard Lewicki. The play was dramatically given, and it was well received. Now all our time and energy was devoted to the one project—the Junior Prom. The Franklin Club was the scene of "Twilight Time" held in honor of our predecessor, the Class of '58. Music was provided by Phil Runzo's orchestra. Shirley Phillips and Mike Marshall were crowned queen and king. The after-prom party followed, sponsored by the Kiwanis Club and the P.T.A. Thus, our Junior year ended on a happy strain.

Summer passed, all too quickly. Before we quite realized it, we were back at F. H. S. Only it was different this year—We were Seniors! As the first project on our busy schedule, we undertook the sale of Christmas cards. The Senior Play, "The Little World of Don Camillo," was rated as one of the best enacted by high school students for a long time. Mr. Perrine did a wonderful job as director. The year has passed swiftly, and the moment every high school student waits for has now arrived for the Class of '59. Our last year at F. H. S. holds many memories for us. Our football team enjoyed a year of success. We were privileged to have Regula Oser from Switzerland, Rudy von Stosch from Germany, and Tep Utensute from Thailand join us for this year. Our name cards and senior pictures were exchanged. The banquet and dance were delightful affairs, and the picnic at Idora Park was loads of fun. We know we will always remember the impressive closing ceremonies, Baccalaureate and Commencement. Well, farewell, F. H. S., and thanks for everything you have done for us. We enjoyed every minute of our stay here.

THE LITTLE WORLD OF DON CAMILLO

The Seniors presented their annual play December 11. The play chosen this year was "The Little World of Don Camillo," based on the book by Giovanni Guareschi.

The story told by this play is about a struggle between the priest, Don Camillo, and the peppery, radical mayor of a little town in Italy. The play was done with wit, humor, and understanding.

The play was directed by Mr. Clinton Perrine and Mr. Russell Cerny assisted. Mrs. Jane Haylett, Miss Kathryn Steffee, and Mr. John Primosic helped with the scenery and staging.

The Student Council is the representative body of the students. It guides and sponsors activities concerning the school and the student body, while working in co-ordination with the faculty. The organization is composed of one elected representative and one elected alternate from each homeroom. The Council, under the direction of its sponsors, Mr. Harold Pixley and Mrs. Mary McQuaid, promotes annual sales in addition to its general duties. This year the Council sold enough candy to sponsor an exchange student. Since all the students helped in this sale, we can all feel a part of this represented council.

There are many various activities that claim the time of the students of Franklin High. One of the most important is the vocal organizations of the music department: the Boys' Glee Club, the Girls' Glee Club, and the A Cappella Choir. Under the capable direction of Miss Leah Sawyer these organizations have become a constructive part of our school life.

The Girls' Glee Club is so large that it is divided into four parts. The girls have elected officers for their separate Glee Clubs and also for the combined Glee Clubs.

The Boys' Glee Club, although small in size, has managed to retain its high standard. Besides deriving much of their own pleasure from this organization, they are able to put on a fine program of entertainment.

From the Glee Clubs singers are selected to form the A Cappella Choir. The Choir provides enjoyable entertainment for assemblies and special programs at school.

It was during the past season that the Knights came through with the Section Two title, an achievement which was unprecedented in the history of varsity football at Franklin High School. When the "men" donned the Red and Black uniform of the Knights, they had only one thing in mind and that was "WIN!" Responsible for this determination and winning desire was the driving spirit of Head Football Coach Jim McCullough and his indispensable assistants Wayne Eakin, Ken Wolfe, and Joseph Stewart. The students and faculty of Franklin High are proud of their grid-iron champs and are looking forward to next year's promising team.

Coaches

Franklin High School had one of its most successful years in athletics during 1958–1959. During this year the Knights were a winning team, many victories were marked, and many players were awarded individual honors. The successful year can be attributed in part to the fine coaching received in all the sports. The competent components of the capable coaching staff were Mr. McCullough, Mr. Eakin, Mr. Stewart, Mr. Nilson, Mr. Irons, and Mr. Wolfe. With hats off, we salute the coaches, for the school is proud to have supported the able commanders of Franklin's athletic stronghold. We owe thanks to our commander-in-chief, Mr. Treadwell, who directs all that is connected with athletics. At any sport event, you know Mr. Treadwell is there, whether you see him or not, because you can smell the sweet aroma of his cigars.

UNDERCLASSMEN

IF

If you can dream — and not make dreams
your master;
If you can think — and not make thoughts
your aim;
If you can meet with Triumph and Disaster
And treat those two impostors just the
same;
If you can fill the unforgiving minute
With sixty seconds' worth of distance
run,
Yours is the Earth and everything that's
in it,
And — which is more — you'll be a Man,
my son!
